Appendix 4C – Quarter ended 30 June 2018

The Directors of Cape Range Limited (the **Company**) present the Company's quarterly report for the 3 months ended 30 June 2018 (Appendix 4C).

Biztrak Online

Biztrak Cloud Accounting phase one has been completed and the Company is moving towards the launch of this proprietary accounting software.

Expanding Biztrak's windows-based software applications to cloud-based services (Biztrak Online) will allow the Company to shift gears from a Software as a Product model to a Software as a Service (**SaaS**) model, where subscription fees replace licensing fees.

The new Biztrak Online software is designed to facilitate international scaling of the Company's operations by offering real time access to current financial and business information for individuals and businesses from any access point around the globe.

Specifically, Biztrak Online offers:

- 24/7 access to financial information from any device with an internet connection;
- real time financial information;
- all data being securely encrypted at source and saved to the cloud;
- no upfront costs; and
- maintenance free, with software that is constantly updated.

Biztrak Online's intrinsic appeal to users stems from inbuilt functionality, including:

- Branch Accounting, allowing automatic synchronisation of financial information between branches and head office, ensuring global data fidelity at all times; and
- E-Bridge middleware which facilitates electronic data interchange in multiple formats, providing seamless and automated integration without cross-translation and manual data entry conversion. Providing maximum efficiency and cost minimalisation.

As a consequence of the attainment of the Phase 1 deliverables and in conformity with the terms and conditions specified in the Company's Prospectus dated 21 September 2017, on 10 July 2018 the Company issued 10,000,000 fully paid ordinary shares (**Shares**) pursuant to the conversion of 10,000,000 Performance Rights.

As a consequence of the conversion of the Performance Rights, 8,000,000 Shares were issued to the Company's controlling shareholder iFree Group (International) Limited (**iFree**). iFree now holds 41.84% of the Company's issued Shares.
